Dear Sir,

It is with a sense of great satisfaction and that of anticipation that I write this note to you: Satisfaction that since my last letter to you dated March 9, 2021, we have been able to reach out to as many as 340,000 princes and princess in Pakistan, majority of whom have never had the good fortune to have seen any semblance of a place of learning; the anticipation that we will be able to work together to tackle the root problem that is illiteracy in the nation in coming years.

Global Education Campaign is a charitable organization according to the US IRS Rule 501c3. Our implementing partner in Pakistan is Dosti Welfare Organization. The amount of funds transferred to DWO monthly is between USD10,000 to 20,000. Our committed in the coming years shall be as follows:

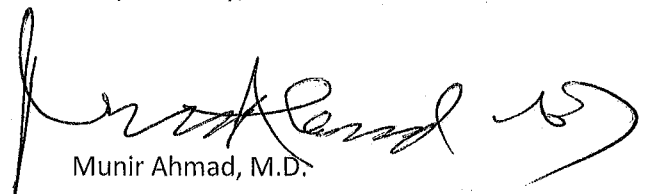

Year 2023 – 2024 --- \$180,000

Year 2024 – 2025 ---- \$180,000

As we develop partnerships with other individual or institutional donors, the amount shall increase.

It is no secret developed nations have higher literacy rates. It is with this fact in mind that I work toward seating every child in an educational institution. Your cooperation in this regard shall go a long way.

Very sincerely,

Munir Ahmad, M.D.
